Cambridge IGCSE Mathematics 0580/22 MARK SCHEM

May/June 2024 - Maximum Raw Mark: 70

MARK SCHEME NOTES:
M marks are given for a correct method applied to the problem.
A marks are given for an accurate answer following a correct method.
B marks are independent of method marks.

Question 1: 4.5 x 10^-3 [B1, B1]

Question 2a: 2x - 3x + 4 = 0 [M1, A1]
x = 1.5, x = -4 [A1]

Question 2b: Substitution into quadratic [M1]
5x^2 + 4x - 28 = 0 [A1] => x - 25x + 14 = 0 [M1]
2, 5 and -2.8, -4.6 [A1]

Question 3: AC^2 = 7^2 + 9^2 - 279 cos 60 = 67 => AC = 8.19 cm [M1, A1]
Area = 0.5 * 7 * 9 * sin 60 = 27.28 cm^2 [M1, A1]
