Cambridge IGCSE Physics 0625/42 MARK SCHEME

May/June 2024 - Maximum Raw Mark: 80

Question 1a: Rate of change of velocity [B1], gradient = 12 / 5 = 2.4 m/s^2 [M1, A1]
Question 1b: Triangle area = 0.5 * 5 * 12 = 30 m; Rectangle = 15 * 12 = 180 m; Total = 210 m [M1, A1]

Question 2: Energy E = P * t = 2200 * 160 = 352,000 J [M1]
E = m * c * Delta T => c = 352000 / 0.80 * 80 = 5500 J/kg K [M1, A1]
